Have you received a professional massage before today?

I understand that the purpose of massage given at sacred hour massage and boutique spa is solely for the purpose of stress reduction, relief from muscular tension, or for increased circulation and energy flow. I understand that the massage therapist does not diagnose, prescribe or do spinal manipulation. I have stated all my known medical limitations, and take it upon myself to keep sacred hour updated on my physical health. I agree to pay for massages rendered and to pay 100% of the session fee for sessions that are booked but not cancelled within 6 hours notice of scheduled session time.
